6. Old Business: N/A
7. New Business:
 - a) Playground – Upgrading the playground.
Grades 4-6 do not really have anything to challenge them, would like to see more added even for grade 7's. Shelly is working on a formal proposal after she has a chance to talk to the school staff. Shelly will also look into grants to help with an inclusive playground. Krystal – we had talked a bit about the playground and the school yard in the past like adding more trees and new sand to be donated by Entwsitle Concrete but we could not get an answer from facilities. Another idea was to build an outdoor classroom space.
8. Other: Shelly – We only have 17 students registered for grades 7-9, this may cause a split for 7/8/9, we would like to brainstorm around how to make our Jr. High more appealing to raise the registration.
CTF – students are really enjoying the Friday afternoons instead of a week dedicated to the CTF program.
Career week – Shelly looking into bringing people in to encourage staying in school and how important it is to graduate.
9. Meeting Adjourned – 4:36 pm - Krystal
