  - Current enrolment: 126
  - In school: 119
  - At home: 7 students
  - 1) As of today, we have 117 students registered for next year.
  - 2) I have completed our preliminary budget for next year and it was balanced. I am awaiting a few planning meetings to determine staffing assignments.
  - 3) The “Nutrition Nook” has been a great success.
  - 4) Construction is underway on our new kitchen! Contractors are hard at work getting our new kitchen built! We do not have a completion date yet but I'm thinking it will be ready for next year.

We are the only school in PSD to not have any cases of Covid, good work parents, students and staff. Grade configuration/staffing is under way for the 2021/22 school year, as of now the Jr High registration is really low. We are all trying to figure out ways to increase enrolments.
