7. Old Business: N/A

8. New Business:

a) Stacy Nash reported the June Carnival was a success. Ring toss and plinko games can be purchased. Next year 2022/23 preschool and library would like to help or contribute somehow. The live superhero and princess characters were a great addition. The leadership kids did a great job helping. Stacy is wondering if we should do the carnival in September as a welcome back or earlier in May next year.
